TERRA
I want you to come with me today,
after work.

LUNA
Where?

TERRA
Let's go to the park. I can bring
food. We'll have a little feast.

LUNA
I don't know, I might be busy.

TERRA
Might be?

LUNA
I have, to buy stuff at the store.

TERRA
Lies.

LUNA
It'll be too hot anyways, it's going
to be in the nineties today.

TERRA
I'll be at the park anyways, if you
want to come.

LUNA
You're inviting me.

POV shot.

TERRA
Here, give me your phone, I'll put my
number.

Luna hands Terra their phone, Terra types their phone number.

Terra and Luna head forward to the train station.

At the statino the train arrives.

In the train at around 42 street, Terra leaves the train leaving Luna alone.

At the park,

Terra waits on a bench, shaded by a tree. They have food ready. Terra waits around peeking to see if a friend comes by. Then they spot Luna from the distance.

Terra and Luna sit and eat the food.

LUNA
